

BC SELECT MALT

PARTNERSHIP • TRADITION • PASSION

BC SELECT MALT

This barley is hand selected from local growing communities in the peace river region in Northern B.C. This B.C. barley is separately segregated before and after malting, making sure it is fully traceable back to the original farmer.

FEATURES

- Lowest possible protein
- High in extract

SUGGESTED USE

- Suitable for use at up to 100% of grist bill
